

WILL-O-WISP NEWSLETTER November 2010

BRRRRR!!!

It's getting cold outside and the smell of smoke from pellet stoves and wood stoves is in the air. Please remember to clean out your chimneys, and to have a spark arrester placed on the top. Check your chimneys and let's have a safe winter season.

Possible Rate Increase

Due to the rising costs, the BOD is considering a possible monthly rate increase.

The board will be discussing this at the November 11th meeting.

WOW Budget Meeting

At the November 11th Will-O-Wisp board meeting, the board will be reviewing the 2011 budget. This meeting is open to the public. If you would like more information about the WOW budget, attend the next board meeting.
