Will-O-Wisp.net is a website that includes a moderated forum dedicated to serving the members of our virtual community. While the site administrators and moderators of this forum will attempt to remove or edit any generally objectionable material as quickly as possible, it is impossible for them to review every message.

Therefore you acknowledge that all posts made to these forums express the views and opinions of the author and not those of the Will-O-Wisp Board, management or the Will-O-Wisp volunteers (except for posts by these persons as individuals) and these persons will not be held liable for the content of any post which they did not individually author.

When you register with Will-O-Wisp, you must register under your real name. You agree not to post any abusive, obscene, vulgar, slanderous, hateful, threatening, sexually-oriented or any other material that may violate any applicable laws or deemed to be disruptive to the general membership of the forums.

Spamming is not allowed at any time. Members should post in a way that is respectful of other users. Flaming or abusing users in any way will not be tolerated. Trolling is strictly prohibited.

In an attempt to maintain the security and privacy of each Will-O-Wisp poster, NO personal information (legal name, residential address, telephone numbers, vehicle license plate numbers or identifying descriptions) shall be posted about another person, business, or entity unless said information is in the public domain (mass media, telephone yellow pages, newspaper advertising). Any sources should be cited. If any poster makes their own information available in the forums, said information may be re-posted to another forum and thread. No person under the age of 18 shall post any phone/cell number, address or any other personal information, nor any personal website that contains such information, on Will-O-Wisp. If such information is posted by anyone other than the owner of said information, it may be removed by the site administrators or moderators immediately and without notice.

If you read a post which you believe is in violation of the definitions given above for that particular forum, please do not respond by flaming or baiting, rather bring it to the attention of a member of the Moderator Team by emailing to info@will-o-wisp.net. The Moderators will review each request and act if they believe that action is necessary.

The site administrators and moderators of this forum have complete authority to remove, edit, move or lock any post or thread at their discretion and to remove duplicate posts and nicknames. The site administrators and moderators have the right to warn members who have violated Will-O-Wisp.net standards and/or suspend any member's account at any time for violating these Terms of Service.

All decisions of the site administrators' moderators are final and binding on the members of this forum.
