

WOW District Newsletter

February 2010

We have updated the Will-O-Wisp web site www.will-o-wisp.net

There are six major sections to our website:

Newsletter - a posting of the District's last newsletter along with other newsletter information.

District Business – Complete information about the District, i.e. our Charter, Covenants, ACC Applications, Animal Control issues, Fence Guidelines, Rules and Regulations, Board Meeting Agenda's and Minutes, Press Releases, and Commonly Asked Questions to the Board.

Recreation – Shows the recreational facilities we have in the District, along with videos of bears and how the volunteers clear the pond for everybody's skating pleasure.

Local Business – Links to local businesses.

Important Links – Links to places like Park Cty Offices and other information you may be interested in.

WOW Forums– This is an on-line web forum for you to post questions, sell items, communicate with your neighbors, etc. This is a great way to ask questions, get updated information, ask the Board questions, etc. It requires you to create username and login to access. Some of the Forums are:

WOW Lobby - Forums like "Get to Know your neighbors", "Kid Kommunity", "Petopia" for pet owners, etc.

Community Events - "Yard Sales", "Sponsored Events", "Down at the Pond"

Neighbor Helping Neighbor – "Services Available" – here you can advertise your business, etc.

Will-O-Wisp – "Messages from the Board", "Voice of the Community"

Colorado Living - Forums like "Outdoor Living", "Nightlife", and "Good Eats"

285 Creative – Forums like "Technical Issues" and a "Suggestion Box" for our Web Developer to help you out.

Classified Section – Forums like "For Sale", "Real Estate- For Sale", "Real Estate – For Rent", "Employment", etc.

Please take some time to review your WOW Web Site, create a login, and communicate with other residents and the Board. We are always looking for more suggestions and recommendations to make it better. Remember this is your web site and it is only as good as you make it.

The Board would like to thank Max Hayes for spending many hours and volunteering his time to create the Will-O-Wisp Web site.
